Word Lists 9th Grade

The **Word Lists** section contains all words for the entire year on one sheet of paper to be given to the student. Word choices are those that have appeared on past PSAT/SAT tests, words that appear in classroom novels and plays, and words that appear in the instructions of AP exams.

Individual Lessons 9th Grade

Individual Lessons contains all materials for each of the 36 lessons for the 9th Grade. Each file includes the **Definitions**, the **Matching Test** and the **Sentence Completion Test** for a particular lesson. This gives the teacher the convenience of printing one lesson at a time.

Definitions 9th Grade

The **Definitions** section contains definitions for all 36 lessons in one document. The teacher can print the entire list at one time and have all lessons available for copying, or he can print out one lesson at a time by selecting the page numbers he wants to print from the file.

Matching Tests 9th Grade

The **Matching Tests** section contains the matching tests for all 36 lessons in one document. The teacher can print all the tests at one time, or he can choose isolated lessons by selecting the page numbers he wants to print from the file.

Sentence Completion 9th Grade

The **Sentence Completion Tests** section contains the sentence completion tests for all 36 lessons in one document. The teacher can print all the tests at one time, or he can choose isolated lessons by selecting the page numbers he wants to print from the file.
